Mediation-Related Comments from the Judiciary:

- Following mediation successfully concluded the night before the pre-trial conference, the Court told the litigants, “And tell Mr. Kobert thank you when you talk to him next.” *In re: Krueger (Wesbanco Bank, Inc. v. Nett Construction Co., LLC.)*, Case No.: 6:20-ap-00119-KSJ, (August 12, 2021) (Orlando Division).
- In open Court discussing a 3 party mediation, the Chief Judge stated, “Mr. Kobert did a phenomenal job [in a prior mediation]... Mr. Kobert exhibited incredible skill. I would say he was sort of my assistant mediator, in negotiations between counsel, who definitely had their horns locked in a death battle. I have also heard very complimentary remarks about Mr. Kobert’s skill as a mediator in a number of other cases. So to the extent that you are thinking about Mr. Kobert, he would be great. Mr. Kobert is excellent.” *In re: Tampa Bay Marine*, Case No. 8:20-bk-01418-CED (October 5, 2020) (Tampa Division)
- In discussing the ideal mediator to handle a complex commercial business dispute involving allegations of (i) fraud; (ii) embezzlement; and (iii) willful and malicious injury, the Chief Judge commented that “[Kobert] is a good lawyer and a good mediator.” *In re: Talanga*, Case No. 8:17-09357-MGW (February 28, 2019) (Tampa Division)
- At a hearing held in open court to confirm the consensual Plan of Reorganization drafted at mediation, the presiding Judge commented on a 4-party mediation, “I do want to thank Mr. Kobert for his services. I have had the good fortune of working with Mr. Kobert as almost a co-mediator in another case and he does a very good job and doesn’t give up, even when the going gets rough... So thank you to Mr. Kobert for his hard work.” *In re: C&D Fruit and Vegetable Co., Inc.*, Case No. 8:18-00997-CED (September 24, 2018) (Tampa Division)
- “I thank you Mr. Kobert for resolving this mediation. Mr. Kobert is one of the best lawyers in the Middle District. He appears before all the bankruptcy courts in the Middle District and we look forward to him coming in because he does such a good job.”; *In re: Lou Webber Tire, Inc.*, Case No. 3:16-03574-PMG (February 6, 2018) (Jacksonville Division)
- Following an 8 party mediation, during consideration of the Mediator’s Fee Application the Court commented “I will approve 100% of the fees and 100% of the costs and Mr. Kobert, I do think you did an excellent job here. You really did.” *In re: Chariots of Palm Beach, Inc.*, Case No. 9:17-19455-PGH (October 11, 2017) (West Palm Beach Division)
- At a hearing held in open court to discuss potential mediators for a complicated commercial foreclosure action, the presiding judge commented, “Mr. Kobert would be an outstanding choice to resolve this.” *In re: David W Goldman*, Case No. 8:12-17503-KRM (March 2, 2017) (Tampa Division).
- “The Mediator did an excellent job and successfully mediated [3 related] controversies.” See December 30, 2013 Order Approving Application for Allowance of Mediation Fees and Reimbursement of Expenses to Mediator, Roy Kobert, Esq. (Docket #366) *In re: Lourdes Zaczac*, Case No. 6:08-12225-CCJ (Orlando Division)

- Mr. Kobert was found to be both “an experienced mediator” and “a talented mediator” in a reported decision ratifying a mediated result over an objection to the settlement. See *In re: Johnson; Afflis v. Johnson*, 2010 Bankr. LEXIS 3671 (Orlando Division)

Testimonials From Past Mediation Participants (actual litigants):

- “Mr. Kobert was engaged to mediate a 4 party business dispute, in which he was *selected by the borrower*. As a banker, I appreciated his ability to parse through the substantive issues; achieving not only a financial resolution but resolving competing non-financial issues as well.” M. M., Vice President, Special Assets Manager, (North Florida Region)
- “The Court appointed me as its receiver for a successful intellectual property enterprise in which the co-founders could not agree on ownership of their business. During periodic sessions over 4 months, Mr. Kobert painstakingly guided us through the process, resulting in a settlement agreement. Over an objection, the Circuit Court ratified the mediated result thus avoiding a three-week special set trial.” L. H., CPA, PA, Receiver (Tampa)
- “I had a unique vantage point wherein I worked alongside Mr. Kobert addressing investment banking issues, while Mr. Kobert mediated the business issues. Roy has the required legal acumen, but also comprehends the human psyche along with a large dose of common sense to get the job done.” F.L., CIRA (Atlanta)
- Based upon my prior mediation experience, most other mediators, after 2 days and nights, would have simply declared an impasse since I too thought that a settlement was inconceivable. Mr. Kobert wouldn't quit on the process. Dr. G., M.D. (Polk County, Florida)

- “[Kobert] is the best I’ve ever seen. Although the case he mediated did not (yet) settle, the effort, passion and sheer intellect, not to mention momentum, is present in this guy...He gets litigation in its deepest respects and I think all parties will appreciate him...Now that the Court has ordered compulsory mediation, this is the guy for us. I have never before recommended a mediator. This guy is top flight.” M.S. (New York)
